Career Objective

Motivated and enthusiastic student with a strong interest in programming and software development. Seeking opportunities to apply my knowledge in Python, data analysis, and web development to solve real-world problems while continuously improving my technical and problem-solving skills.

Education

B.E CSE (Cyber Security)
RVS School of Engineering – Tamil Nadu
Year of Study: 2023 – 2026

Higher Secondary Education (12th Standard)
Kamarajar Matric Hr. Sec. School
Year of Completion: 2023

Experience

Fresher – Currently pursuing B.E in Computer Science (Cyber Security). Worked on multiple academic and self-learning programming projects using Python such as a resume parser, chatbot, and web scraper to gain practical experience in software development.

Technical Skills

- Python Programming
- Basic Data Analysis
- Web Scraping using Python
- HTML & CSS (Basic Web Development)
- Command Line Applications
- Problem Solving
- Debugging Python Programs

Programming Projects

- **Smart Resume Parser (Python)** – Developed a Python application that extracts important information from resumes such as email, phone number, and skills using text processing libraries.
- **News Headlines Web Scraper** – Built a web scraper to collect news headlines from websites and automatically save them into a text file for analysis.
- **Python Chatbot** – Created a chatbot using Python conditional statements with features like jokes, calculator, and time display.
- **CLI Calculator** – Developed a command-line calculator supporting addition, subtraction, multiplication, and division.

Tools & Technologies

- Python
- PyCharm IDE
- Git (Basic)
- Command Line Interface

Strengths

- Fast learner
- Strong logical thinking
- Good problem-solving ability
- Interest in learning new technologies

Languages Known

English, Tamil

Hobbies & Interests

- Learning new programming concepts
- Exploring technology and software tools
- Reading about artificial intelligence and automation

Declaration

I hereby declare that the information provided above is true and correct to the best of my knowledge.
